## Motion & Graphic Designer

### JOB DESCRIPTION AND RESPONSIBILITIES

We are looking for a talented multi-disciplinary Motion & Graphic Designer to help create stellar marketing, branding and promotional artwork, both static and animated. The ideal candidate has a strong affinity for traditional graphic design, combined with a passion for animated 3D motion design, and is also keen to learn new skills.

Your responsibilities will include:

- Creating branding, marketing and promotional artwork and animations, utilizing both 2D and 3D skills
- Gathering necessary assets and resources from the art production team, and incorporating/enhancing these in your own compositions in order to create marketing/promotional materials
- Refining your designs through iterative cycles, including testing, reviews, and evaluation
- Closely collaborating with marketing specialists, the art director, other artists, internal team members and external partners to help materialize the company’s brand vision across a variety of different mediums and channels
- Contributing to a consistent and well-designed user interface, including both apps and other external interactive media

### SKILLS & REQUIREMENTS

#### REQUIRED

- A minimum of 3 years of recent, relevant professional experience
- Experience creating 2D graphic design artwork and animations, as well as familiarity with 3D applications
- Excellent visual communication skills, and a solid understanding of fundamental graphic design, motion design, UI/UX design and branding principles
- Ability to use Photoshop, InDesign, After Effects and other relevant software in order to create exceptional visual material for print, online, social media and in-app use

- Experience working in 3D applications such as Blender, Cinema4D, AfterEffects, Maya or 3dsMax to create stunning rendered and/or animated imagery
- Willingness to use (and/or learn) Unreal Engine in order to access and utilize assets produced by in-house and external art teams
- Full-working proficiency and fluency in English (ability to discuss work-related tasks verbally and in written form)

#### **PREFERRED**

- Experience with digital illustration and/or conceptual design
- A basic understanding of real-time 3D game engines and industry-standard art production pipelines
- A passion for games, animation and VFX
- Strong soft skills (Professionalism, Communication, Teamwork, Self-Awareness, etc.)

#### **WORKING AT PORTALONE OFFERS YOU:**

- Competitive salary
- 25 paid vacation days per year, plus public holidays
- 35 weeks of paid maternity and 10 weeks of paid paternity leave
- Pension program
- Healthcare insurance
- Paid mobile phone subscription
- Paid gym membership

You will be working in an environment that is supportive, team-oriented, and collaborative. Your work will have a direct influence on the development of our products.

In addition to the professional growth opportunities and general benefits, joining the PortalOne team also offers some nice lifestyle perks. Our offices are located in the heart of downtown Oslo, just a few minutes walk from the waterfront and the central train station, granting easy access to all transportation.

We are residents of the [MESH](#) co-working space, so we are part of Scandinavia's most vibrant community of innovative companies. You get arcade machines, ping pong, networking, social activities and a creative atmosphere all in one package.

Oslo itself offers the opportunity to easily combine an urban lifestyle with outdoor pursuits. The full range of European cultural offerings comes with the city, but with the added benefit of numerous summer and winter sporting activities just a subway ride away.
